EXPERIENCED STAFF

Our staff are experts in waste reduction, outreach, education, and waste diversion. With over 75 years of experience in waste solutions, we are here to help you meet your goals.

WASTE DIVERSION

Our consultations specifically address waste reduction, reuse opportunities, and recycling efficiencies at your site.

EDUCATION & OUTREACH

We develop effective outreach campaigns to shift behaviors at your facility or business, and increase your waste diversion opportunities. Let us design your educational materials and messaging for your special events or venues.

OPERATIONAL EFFICIENCIES

Working smarter, not harder. Recycling Connections can help review hauling contracts and services to look for cost saving opportunities and operational efficiencies.

flexible solutions for your waste reduction needs

SECTORS

Whether you are a local government trying to communicate with your residents about recycling, or a business seeking more sustainable packaging options, Recycling Connections is here to help. Our services support businesses, agencies, non-profits, schools, and local governments.

GETTING STARTED

Every contract starts with a brief conversation. We then prepare a customized service proposal based on your project goals and expected outcomes. Service fees may be adjusted for non-profits and schools seeking services.
